LICENSE

AntConc 4.0 and any minor updates issued by AntLab Solutions within the same major version number (collectively, the "Software").

TERMS GOVERNING THE USE OF THE SOFTWARE

The Software is protected by copyright and is licensed, not sold. Your rights to install, access, and use the Software are limited to those expressly granted in this License. By installing or using the Software, you agree to be bound by the terms of this License. This AntConc License ("License") is made between AntLab Solutions, Tokyo, Japan, as licensor, and you, as licensee, as of the date of your first use of the Software. The Software is considered in use on a computer when it is loaded into RAM or installed into the permanent memory of that computer (for example, a hard disk or other storage device).

1. License Material

These terms govern your use of the Software and do not include subsequent major versions.

2. License Grant

AntLab Solutions grants you a non-exclusive license (the "License") to use the Software in the following specific contexts. Each License authorizes use of the Software by one individual user at a time. That individual user may install and use the Software on more than one computer or on a network, but no other person may use the Software under the same License while that user remains the authorized user. A separate License is required for each additional user of the Software. A paid License may be reassigned to a different individual within the same organization only if the prior authorized user ceases all use of the Software.

a) Non-Commercial (Freeware) Use

For purposes of this License, "Non-Commercial Use" means use that is not primarily intended for or directed toward commercial advantage or monetary compensation. Non-Commercial Use includes personal study, academic research, classroom teaching, and internal use by nonprofit educational institutions. Non-Commercial Use does not include use in a business, for client work, for fee-based services, for revenue-generating activity, or for the commercial advantage of any person or organization.

You may use the Software for Non-Commercial Use on more than one computer or on a network, provided that you are the only user authorized under the applicable License. (A "network" is any combination of two or more computers that are electronically linked and capable of sharing the use of a single software program.) You are not permitted to sell, lease, distribute, transfer, sublicense, or otherwise dispose of the Software, in whole or in part, for any form of actual or potential commercial gain or consideration.

b) Commercial Evaluation (Trial) Use

You may evaluate the Software for commercial purposes for a period of no more than fourteen (14) days from the date of first installation, on more than one computer or on a network, provided that you are the only user authorized under the applicable License. This evaluation period begins on the date of first installation and does not restart through reinstallation of the Software or installation on another computer.

c) Commercial Use

After you pay the commercial license fee established by AntLab Solutions, you may use the Software for Non-Commercial Use or commercial purposes on more than one computer or on a network, provided that

you are the only user authorized under the applicable License. (A "network" is any combination of two or more computers that are electronically linked and capable of sharing the use of a single software program.) For clarity, this Commercial Use right permits you to use the Software in commercial activity, but does not permit you to sell, lease, distribute, transfer, sublicense, or otherwise dispose of the Software itself, in whole or in part, for any form of actual or potential commercial gain or consideration.

3. Termination

You may terminate this License at any time by uninstalling and deleting the Software. This License will also terminate automatically if you breach any term of this License. Upon termination, you must immediately cease all use of the Software and uninstall and delete all copies of the Software in your possession or control.

4. Proprietary Rights

The Software is licensed, not sold, to you. AntLab Solutions reserves all rights not expressly granted to you. Ownership of the Software and its associated proprietary rights, including but not limited to patents and patent applications, is retained by AntLab Solutions. The Software is protected by the copyright laws of Japan and by international treaties. You must comply with such laws and treaties in your use of the Software. You agree not to remove any AntLab Solutions copyright, trademark, or other proprietary notices from the Software.

5. Distribution

Except as may be expressly allowed in Section 2, or as otherwise agreed in a written agreement signed by both you and AntLab Solutions, you will not distribute the Software, either in whole or in part, in any form or medium.

6. Transfer and Use Restrictions

You may not modify, reverse engineer, decompile, decrypt, extract, or otherwise disassemble the Software. You may not permit any person to use the Software except as expressly permitted under a valid License or another written agreement with AntLab Solutions.

7. Warranties

ANTLAB SOLUTIONS MAKES NO WARRANTIES WHATSOEVER REGARDING THE SOFTWARE AND, IN PARTICULAR, DOES NOT WARRANT THAT THE SOFTWARE WILL FUNCTION IN ACCORDANCE WITH THE ACCOMPANYING DOCUMENTATION IN EVERY COMBINATION OF HARDWARE PLATFORM, SOFTWARE ENVIRONMENT, OR CONFIGURATION, OR BE COMPATIBLE WITH EVERY COMPUTER SYSTEM. 8. Disclaimer

ANTLAB SOLUTIONS DOES NOT WARRANT THAT THE SOFTWARE IS FREE FROM BUGS, DEFECTS, ERRORS, OR OMISSIONS. 11. Entire Agreement

12. Severability

If any provision of this License is held to be invalid, illegal, or unenforceable, the remaining provisions of this License will remain in full force and effect to the maximum extent permitted by law.

13. No Waiver

No failure or delay by AntLab Solutions in exercising any right, power, or remedy under this License will operate as a waiver of that right, power, or remedy, nor will any single or partial exercise of any right, power, or remedy preclude any other or further exercise of that or any other right, power, or remedy.
